BGI/DSD/23/07/002 TITLE: PROVISION OF CONSULTANCY SERVICES
FOR AIRBORNE MAGNETIC SURVEY OF NOSSOP-NCOJANE BLOCK**

The subject matter refers.

Botswana Geoscience Institute (BGI) has noticed that there were different closing dates on tender notices on the website and the one that was published on newspapers (i.e. 23rd and 28th August 2023 respectively). However, these could have caused some confusion to prospective bidders, BGI has decided to extend the floating period of the above tender by ten (10) working days from the date of closure which was supposed to be 28th August 2023.

The revised date and time of closure are as follows:

Closing date: Friday 8th September 2023.

Time: 10:00 AM

The tender offers should be delivered **physically** at the BGI premises to the address below:

**Botswana Geoscience Institute
Procurement office No. 15, First floor, Phase 2 building, Lobatse.
Plot 11566, Khama 1 Avenue, Lobatse, Botswana.**
